2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The Green Valley Aurora Metropolitan District No. 1 (“District”) (formerly known as Green Valley Ranch East Metropolitan District No. 5) was organized by Court Order dated November 15, 2004, to provide financing for the construction and installation of public improvements, including streets, traffic safety, water, sanitary sewer, park and recreation, public transportation, mosquito control, fire protection, and television relay improvements for the use and benefit of all anticipated inhabitants and taxpayers of the District. The District’s service plan does not authorize the District to provide fire protection or television relay services unless the District enters into an intergovernmental agreement with the City of Aurora (City).

On November 2, 2004, the District voters approved a mill levy increase to generate property taxes of up to \$5,000,000 annually to pay, in part, the District’s general cost of operations and maintenance. The mill levy is on all taxable property within the District for collection in 2005 and each year thereafter. Furthermore, the voters authorized the District to collect and expend levied taxes and any other income of the District without regard to any limitations imposed by TABOR. The total debt authorized in 2004 for all services and improvements was \$2,405,000,000. On November 8, 2016, the District voters approved a mill levy increase of up to \$4,000,000,000 annually to pay, in part, the District’s general costs of operations and maintenance. The total debt authorized in 2016 for all services and improvements was \$40,000,000,000. The District’s current service plan limits the total debt issuance to \$200,000,000, with a maximum debt mill levy of 50.000 mills.

The District has entered into an intergovernmental agreement with the City detailing the covenants and mutual agreements the District will follow as regards to the financing and construction of the public improvements, and the repayment of the associated debt.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Section 29-1-105, C.R.S., using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual result, because events and circumstances frequently do not occur as expected, and those differences may be material.

The budgets are in accordance with the TABOR Amendment limitation. Emergency reserves required under TABOR have been provided.

2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2024, the assessment rate for single family residential property decreases to 6.765% from 6.95%. The rate for multifamily residential property, the newly created subclass, decreases to 6.765% from 6.80%. Agricultural and renewable energy production property remains at 26.4%. Producing oil and gas remains at 87.5%. All other nonresidential property decreases to 27.90% from 29%.

The District currently has little assessed value and no property tax mill levy will be certified for 2023.

Developer Advances

The District is in the development stage. As such, the operating and administrative expenditures for 2023 are to be funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

Expenditures

Administrative Expenditures

Administrative expenditures include the services necessary to maintain the District's administrative viability such as legal, management, accounting, insurance, banking, and meeting expenses for the District.

**GREEN VALLEY AURORA METROPOLITAN DISTRICT NO. 1
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Debt and Leases

The District has no operating or capital leases. During 2020, the responsibilities under the Restated Agreement for Reimbursement of Costs with Town Center Metropolitan District, originally entered into between Aerotropolis Area Coordinating Metropolitan District, The Aurora Highlands Metropolitan District Nos. 1, 2 and 3, and the District, was assigned to the District. Since the District currently has no funds to pay this obligation, the District entered into a Funding and Reimbursement Agreement with Green Valley Ranch East Metropolitan District No. 6 (“GVRE No. 6”). GVRE No. 6 issued bonds in 2020 and repaid the District’s amount due under the obligation at an interest rate of 8% per annum. In order to repay GVRE No. 6, every purchase and sale transaction of property within the District will be subject to a repayment fee based upon the sale of 289.102 acres. No property sales are budgeted for 2023.

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be a least 3% of fiscal year spending. Since the District has no TABOR eligible revenues, no Emergency Reserve has been provided.

This information is an integral part of the accompanying budget.

I, Denise Denslow, hereby certify that I am the duly appointed Secretary of the Green Valley Aurora Metropolitan District No. 1, and that the foregoing is a true and correct copy of the budget for the budget year 2024, duly adopted at a meeting of the Board of Directors of the Green Valley Aurora Metropolitan District No. 1 held on November 16, 2023.
